

Odor filter HEZVEUD302

- Recirc/Filter Kit for 800 & Benchmark Series – 30" Wide
- Replacement Charcoal Filters for Bosch 800 & Benchmark Series 30" Under-cabinet Hoods in recirculation mode
- Please check for compatibility with your ventilation before purchasing
- Efficiently neutralizes odors in your kitchen so cooking aromas and fumes don't linger while you are cooking
- Charcoal filters should be replaced when they are noticeably dirty or discolored (usually every 4 to 6 months, depending on usage)

Product group: Accessory
 Brand: Bosch
 Product name / series name:
 SKU: HEZVEUD302
 Internal article number: HEZVEUD302
 EAN code: 4242005449965
 Product Packaging Dimensions (HxWxD): 4.33 x 9.05 x 9.05
 Net Weight: 1.000 lbs
 Gross Weight: 1.000 lbs
 Quantity per packing unit: 24
 Standard number of units per pallet: 144
 UPC code: 825225972853
