

FOTILE

A BREATH OF FRESH ENGINEERING®

InstantHeat™ Electric Cooktop

Unleash the Power. Awaken the Flavor.

30" & 36" BUILT-IN ELECTRIC COOKTOPS
MODELS: **EEG30411**, **EEG36511**

InstantHeat™ Tri-Ring

3,600W Power. 12" Versatility.

Delivering intense heat and wide coverage for fast, even cooking.

One Burner. All Sizes.

Flex-3 Ring fits 12", 9" and 6" cookware—no more size mismatch.

Free Control

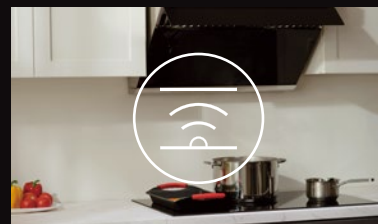

Five Zones*. Endless Possibilities.

Flexible layout with 9 heat levels and a bridge element for oversized pans.

*4 zones for EEG30411 (30in)

Smart Sync. Perfect Flow.

With SynCook™, your cooktop and range hood work together for synchronized cooking.

Safe Protection

Ergonomic Features for Peace of Mind.

Avoid accidental activation—ideal for cleaning or child safety.

Residual Heat Indicator lets you know when surfaces are still hot.

Concise Design

Minimalist Look. Premium Build.

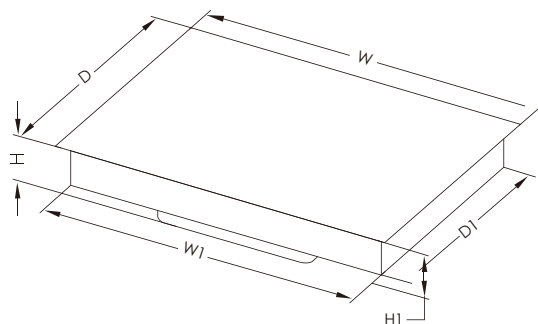

SCHOTT CERAN® glass surface with flush touch controls. Elegant, easy to clean, and made to last.
