

Built-in Combi Oven

FOTILE

Steam

The unique design of heat-collecting ring can heat up fully and efficiently.

Bake

The high-speed fan can stabilize air circulation, making the heating uniform.

Dehydrate

The high-speed fan with wide-area heating tube, controlling the humidity intelligently in the process.

Air-Fry

Equipped with intelligent humidity-control structure and high-speed fan, can quickly move away the water on the surface of food.

24" Built-in Combi Oven

Integrates 4 cooking functions of steaming, baking, dehydrating and air-frying into one

Model	HZK- TS1/ HZK- TS1-Y
Certification	ETL
Product Dimensions (WxDxH)(inch)	23 7/16" x 21 5/16" x 18"
Interior Size (WxDxH)(inch)	18" x 15 1/4" x 10 11/16"
Operation	Touch
Power	3660W
Voltage	240V/ 60Hz, 20A
Power Source	Electric
Capacity	1.48 cu.ft.
Temperature range	86°F-446°F
Colour	Black ● / Moonshadow Grey ●
Door Material	2 Layers of Tempered Glass 1 Layer of Low E Glass
Preset Modes	Total 52: 15 for Bake/Broil/Roast, 10 for steam-bake, 5 for Air Fry, 5 for Dehydrate ,17 for steaming
Other Functions	Proof/ Descale/ Warm/ Steam Clean/ Dry Up/ Defrost
Accessories	1*Grill Grid & 1*Tray
Warranty	1 year full warranty on labor, 3 years limited warranty of parts
